EDUCATION

Masters in Business Administration (M.B.A.) Concentration on Quality and Productivity	Graduation: May 2025
Universidad Tecmilenio	GPA: 9.25/10
Bachelor's Degree in Mechatronics Engineering	Graduation: Jul 2022
Universidad Autonoma de Ciudad Juarez (UACJ)	GPA: 9.28/10
Relevant Coursework: Quality Management Supply Chain Management Maintenance of Mechatronic Systems Computer Vision Control Systems Industrial Safety	

PROFESSIONAL EXPERIENCE

Maintenance Supervisor at GG Sistemas del Norte S.A. De C.V.	Nov 2025 – Present
Supervisor	Juarez, Chihuahua
- Coordinate daily preventive maintenance activities and work orders for critical and non-critical equipment at the Mexico Technical Center. - Achieve preventive maintenance completion rates between 80% and 100%. - Follow up on work orders, service requests, and quotations for refrigeration and HVAC parts. - Lead a team of 30 employees, including 26 technical staff members and 4 administrative staff members. - Supervise maintenance priorities, staff performance, and service response to ensure operational continuity.	
HVAC Coordinator at GG Sistemas del Norte S.A. De C.V.	Apr 2023 – Nov 2025
Maintenance Co-Leader	Juarez, Chihuahua
- Monitored and controlled office temperature at the Mexico Technical Center using Tracer software for Fan Coil units. - Supervised preventive maintenance activities for Fan Coil units across the facility. - Monitored the operation of cooling towers and chillers with capacities of 800 and 900 tons. - Coordinated technical staff to respond to customer-requested work orders. - Provided immediate support for failures in critical and non-critical equipment.	
Maintenance Routines and HSE Coordinator at GG Sistemas del Norte S.A. De C.V.	Apr 2022 – Apr 2023
Coordinator	Juarez, Chihuahua
- Monitored the Mexico Technical Center building in compliance with applicable STPS standards. - Prepared reports related to industrial safety and HSE events. - Supported preventive maintenance activities for critical and non-critical equipment. - Supervised work quality, tools, and PPE usage among technical personnel. - Followed up with suppliers supporting plant maintenance operations.	
Maintenance Internship at Autokabel de Mexico S.A. De C.V.	Feb 2021 – Aug 2021
Intern	Juarez, Chihuahua
- Supported the documentation of Reliability-Centered Maintenance (RCM) procedures for a production line, improving maintenance tracking and standardization. - Controlled the monthly inventory of approximately 500 automotive battery terminals in the tool crib area. - Maintained 100% inventory accuracy, ensuring zero discrepancies in assigned stock records.	

CERTIFICATIONS AND LANGUAGE

English Proficiency (B2)
Green Belt Certification – SigmaPro Inc. (2025)
Análisis Cuantitativo – Tecmilenio (2025)
Dirección Estratégica – Tecmilenio (2025)

RELEVANT ACTIVITIES

Adjunct Professor at Universidad Autonoma de Ciudad Juarez	Aug 2025 - Present
Professor	Juarez, Chihuahua
- Teach undergraduate courses in Industrial Safety, Computer Vision, and Thermofluids to groups of approximately 30 students per class. - Guide students in the development of applied projects, including technical planning, implementation, documentation, and final presentations. - Support students in research methodology for thesis development, including topic definition, project structure, literature review, and technical documentation.
